

“Cattle For Kids” Special Awards

ELIGIBILITY AND RULES FOR THE “CATTLE FOR KIDS” PROGRAMS – The Cattle For Kids committee reserves the right to review or change any of these rules on an annual basis before the new Fair Book is printed.

Entry forms for these two “Special Awards” programs can be found on the next page of this Fair Book and Online at www.weldcountyfair.com. Please send these completed forms with your Breeding Beef entry.

- A. To participate in the drawing to win \$1,200 toward the purchase of a registered heifer:
1. All 4-H or FFA members that show a breeding beef animal at the 2011 Weld County Fair and who will be eligible to show at the 2012 Weld County Fair can participate in the drawing.
 2. The drawing will be held at the Weld County Fair Awards Program.
 3. All eligible participants (one entry per exhibitor) will have their name put “in the hat” and the name(s) drawn will be the winner(s) of the award.
 4. The award money is intended for purchase of a breeding beef prospect that meets the following conditions:
 - a. The animal must be a heifer prospect that is of the appropriate age to be shown at the next Weld County Fair. (i.e. a heifer calf prospect)
 - b. The animal must be a registered heifer of any breed of beef cattle. Commercial or “non-papered” cattle will not qualify for use of this award.
 - c. The animal must be purchased from a breeder in Weld County, but not from the family of the award recipient.
 5. A check for the award money will be payable to the seller of the animal – not to the winning exhibitor. The \$1,200 does not have to be the maximum amount spent for a heifer. The winner may choose to add some of his/her own money toward the purchase of a heifer. Documentation of the registration (or eligibility) of the heifer to be purchased must be provided to the “Cattle For Kids” committee before a check will be issued.
 6. The winning exhibitor has until December 1, 2011 to identify the purchased heifer and the seller who is to receive the \$1,200.
 7. If the award is not redeemed by December 1, 2011 a second winner will be chosen and that person will have until February 20, 2011 to identify the purchased heifer and the seller who is to receive the \$1,200.
 8. The winning exhibitor must enter and show the purchased animal at the 2012 Weld County Fair. For 4-H members, the deadline for enrolling a 4-H project is April 30 each year.
 9. A 4-H or FFA exhibitor who is showing in his or her last year of eligibility to show at the Weld County Fair will not be able to participate in the drawing. Each exhibitor will be asked to fill out a form (card) verifying that he or she is eligible to show at the next Weld County Fair and that they wish to participate in the drawing. The final pool of names to be in the drawing will be reviewed by at least one Cattle For Kids committee member and an appropriate Extension Service staff member.
 10. The Cattle For Kids committee reserves the right to do the following:
 - a. If the winning exhibitor elects to not purchase an eligible heifer, elects to not show at the next Weld County Fair and/or does not purchase an eligible heifer by the designated deadline the Cattle For Kids Committee may randomly select another name from the original name pool.
 - b. If, for any reason, the winner or back-up winner does not redeem the \$1,200 for purchase of an eligible heifer, then Cattle For Kids reserves the right to put the money back into the CFK account for use in the future.
- B. To be eligible to receive the \$100 Cow/Calf Incentive award:
1. Cattle For Kids will award \$100 to an exhibitor the first time a previously shown (at Weld County Fair) female is brought back to a future Fair as the cow in a cow/calf pair.
 2. An exhibitor may enter a female in this program while showing her at the Fair by filing, with Fair staff, the information which will permanently identify this female. That information will be kept on record so the female can be identified to receive the \$100 award when she comes back the first time, to a future Fair as the cow in a cow/calf pair. (It does not have to be the first year after she was entered in the program).
 3. To receive the \$100 award the cow must be owned and shown by the same exhibitor that owned and showed her when she was entered in the program.
 4. An exhibitor or members of an immediate family may not receive more than two (2) \$100 awards from this Cow/Calf Incentive program in a given year.
 5. A heifer calf initially shown as part of a cow/calf pair will be eligible for the \$100 award if she returns to a later Fair as the cow of a cow/calf pair if the required identification documentation is provided (as with other heifers).
 6. A cow shown as part of a cow/calf pair that was not previously entered in the program, may be entered and be eligible to receive the \$100 award when she is brought back to the Fair in a future year with another calf at side.
 7. It will be the responsibility of the exhibitor to provide documentation of a female’s permanent identification, as follows, when she is entered in the Cow/Calf Incentive program.

For registered females:

 1. A **copy** of the female’s registration papers to be left with Breeding Beef Show staff.
 2. A legible tattoo as indicated on the registration papers.

For commercial females:

 1. At least a two digit (preferably 3 digits) tattoo in at least one ear (preferably same tattoo in each ear). Tattoo must be legible; Bangs tattoo does not qualify.

“Cattle For Kids” Cow/Calf Incentive Program

(One female per form)

(This form is to identify a female when she is shown the first time at the Weld County Fair so if she is brought back to a future Fair, with a calf at side, the owner/exhibitor will be eligible for the \$100 Cow/Calf Incentive Award. See details on page ---of Fair Book.)
