

Fair Board Meeting Minutes

Wednesday, July 29, 2020

Fair Board President Eli Hatch called meeting to start at 1:00 PM

- All board and committee members went around giving an update on how the fair is going.
- Discussed about Kubota etiquette, purchasing gas for the Kubota's, Jenette said there will be no max number of hours for the Kubota's just make sure to turn them off when you are not driving and not letting them idle.
- Nancy discussed the checkout process for the Kubota's that will happen at the Fair office.
- Eli's company, Hired Gun, purchased 2 John Deere Kubota's to use during the Fair.
- Larry expressed that there will be some problems brought to us tomorrow about the pig stalling and we need to express to the livestock committee that things need to change for next year.

Fair Board President Eli Hatch ended meeting at 1:45 pm

Respectfully Submitted,
