WELCOME TO THE WELD COUNTY JUNIOR LIVESTOCK SALE
EVENT CENTER – ISLAND GROVE REGIONAL PARK
AUGUST 3, 2020
3:00 PM

All sale animals have been exhibited at the **Weld County Fair** by 4-H and FFA youth. Food safety concerns in the meat industry have prompted the Weld County Fair Board to be the first county in Colorado to initiate its Wholesome Meat Animal Assurance Program for our young exhibitors.

The animals to be sold are of excellent market quality and our Assurance Program will help maintain this quality and wholesomeness.

Monies these young people receive for their animals are used to finance future projects and may foster a fund for college education.

Your support is appreciated.

GENERAL SALE INFORMATION:

1. All animals are property of the buyer immediately after purchase and **MUST BE HARVESTED**.
2. All livestock will be sold at auction to the highest bidder on a per head basis. The per head resale price is listed in the catalog for each animal.

PAYMENT:

<p>Checks for purchase of animals are made to: Weld County Junior Livestock Sale Attn: Carrie Huenink 525 N 15th Ave Greeley, CO 80631</p>	<p>Credit Card Payments will be processed the day after the sale and will be charged an additional 3% handling fee.</p>	<p>Billing: Payment terms for all invoices is NET 10 days the date of invoice. <i>It is important we are paid promptly to insure payment to exhibitors in a timely manner.</i></p>
---	---	--

Livestock purchased can be handled on the following basis:

1. **Resale / Buyback** – the buyer designates the animal to be resold to a commercial packer. In this case, the buyer pays only the difference between the sale price and the resale price. No other arrangements are necessary.
2. **Weld Food Bank Donor** – purchasing under this method, the buyer donates the animal to the Weld Food Bank. The animal will be harvested at a federally inspected plant and the meat will be utilized by local families in need. The buyer is responsible for the total sale price. A letter verifying your donation to this 501(c)3 non-profit will be provided to you for tax purposes. **LIMITED AVAILABILITY IN 2020 – Announcements will be made from the block.**
3. **Custom Harvest** – Unfortunately, this option is not available in 2020. If you have questions, please stop by the customer harvest desk.

THANK YOU FOR SUPPORTING THE
WELD COUNTY JUNIOR LIVESTOCK SALE!!!

GENE INLOES YOUTH AMBASSADOR PROGRAM

The Gene Inloes Youth Ambassador Program was founded one decade ago to afford 4-H & FFA members the opportunities to assist and be first-hand involved with the processes and inner workings of the Weld County Fair Junior Livestock Sale.

This program strives to develop our ambassadors into elite leaders that are willing to go above and beyond, "to make the best, better!"

As an ambassador, our members are required to be leaders of moral character and value and to play an active role in the production of our sale. They are provided with many opportunities to grow and develop their leadership, communication and relationship building skills, all the while gaining confidence, responsibility and problem-solving skills. This leadership program is not limited to livestock exhibitors but is designed to build leadership skills for all young people.

You will recognize our ambassadors in their royal blue polo shirts, which were generously donated by **Christie Gabel of Zoetis**. Our ambassadors have played a major role in the production of tonight's sale-please do not hesitate to ask any one of them for any assistance. Hopefully, they have made your experience as a supporter 4-H & FFA a pleasant one.
