Greeley, CO 80631

Dear Weld County Fair Board,

I wanted to take a moment and thank you for the dedication and passion you display for the youth of Weld County. Growing as an annual event since 1918, the Weld County Fair has fulfilled its mission well, which states in part *that the fair serves as a source of community pride among county residents by providing an educational showcase for 4-H and FFA members, members of other youth groups, and residents to exhibit their accomplishments in the areas of agriculture, general and natural sciences, family consumer sciences, and county projects.*

While navigating the current situation, you have gone above and beyond to provide the next generation of agriculture and community leaders with one of the most vital activities of their year. While the Weld County Fair looked slightly different this year, I am very impressed by the display of American agriculture and the spirit of our local communities.

The Weld County Fair is supported by countless businesses and local organizations that recognize the profound impact the fair has, not only on the participants and families, but on the community and the economy as a whole. Weld County is the largest Agricultural producing county in the state and ranks among the highest in the country. It is imperative that the young people of today have a greater understanding of the role of agriculture and the economy in day-to-day life.

On behalf of the 4th Congressional District of Colorado, I applaud the Weld County Fair Board for their dedication to preserving the rich history of Weld County. We look forward to their success as they keep this important tradition alive.

Sincerely,

A handwritten signature in blue ink that reads "Ken Buck".
